

40 Years of Mediocrity 1969-2009 Commemorative Pond Rat Jerseys

Full color sublimated Pond Rat logo on front and shoulders, names and numbers on back and sleeve!

Sublimation is a very unique fabric printing process and perfect for uniforms. When an image is printed into the fabric, the ink will sublimate (turn from a solid directly into a gas without passing through the liquid stage) and will fuse right into the fibers of the fabric, making it a permanent process. The result is a color rich fabric that will not crack, peel, or fade, and will look great after countless washings. The other unique property is that the fabric retains its properties after printing in terms of feel and breathability. The fabrics after printing will retain the moisture wicking properties.

Jerseys cost **\$75 each**. Make checks out to: Flat Rock Creative. Be sure to print names and numbers in upper case letters and be VERY neat. The deadline for orders and checks is Wednesday, January 27, 2010.
